jeffrey.fletcher@fhdschools.org

Dear Parents and Students of the Class of 2027:

The 2023 - 2024 school year planning is gearing up!

This is a time when some parochial students make a switch to public school. If you are receiving this letter, you may be considering Francis Howell North High School for freshman year. The materials enclosed will be used for this registration process. Please spend some time watching the videos and reviewing the FHN high school enrollment materials to get valuable information about the courses we offer, opportunities for College Credit classes, available scholarships, activity opportunities, and important dates in the enrollment process. FHN 23-23 Newsletter <https://www.smores.com/3hgxf>

Students, with the help of their parents, are asked to complete the ICAP to ensure that course work needed in preparation for college, technical schools, or the world of work is considered. There is a video in the 23-24 Registration Newsletter explaining the ICAP. A student's ICAP is updated each year at registration to adjust for any changes in future plans. A copy of the ICAP and graduation requirements can be found in the 2023 - 2024 FHSD High School Enrollment Guide online via links in the SMORE.

In order to ensure that your student's course selections are included with all other 9th grade course requests, we ask that you submit registration documents and 9th grade course planning sheet by February 3, 2023. Mrs. Stacey Enders, enrollment specialist, will be able to assist with enrolling in the Francis Howell School District. For district enrollment information, please visit the district website at www.fhdschools.org. If you need further assistance, please contact stacey.enders@fhdschools.org.

Curriculum Night at FHN is January 10, 2023 from 6:00 to 8:00 pm in the Café

FHN is April 12, 2023 from 10:30 am to 12:30pm

May

Thank you in advance for taking the time to help your student plan for their future! We look forward to working with you during this transition to high school.

Sincerely,

Dr. Lisa Woodrum

Counseling Department Chair
